

PEAK SIDE RESORT

Your Gateway To Mountains

DELUXE BALCONY VIEW ROOM

Wake up to actual mountains, not wallpaper. This room comes with a private balcony that opens to Pahalgam's green valleys and peaks, so your morning chai/coffee automatically tastes better. Inside, you get a cozy, well-done space with a plush bed, modern en-suite bathroom, high-speed Wi-Fi, and all the essentials to unwind after sightseeing. Perfect for couples or solo travelers who want the view to be part of the stay.

FAMILY ROOM

Made for “let’s all stay together.” This one gives you more space, flexible bedding, a private balcony with those Pahalgam views, and a comfy seating area so nobody’s fighting over one chair. Fast Wi-Fi, modern bathroom, and resort amenities included. Works for families, cousins-on-a-trip, or small groups who want to stay in one unit instead of booking two separate rooms.

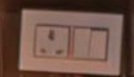

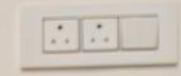

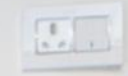

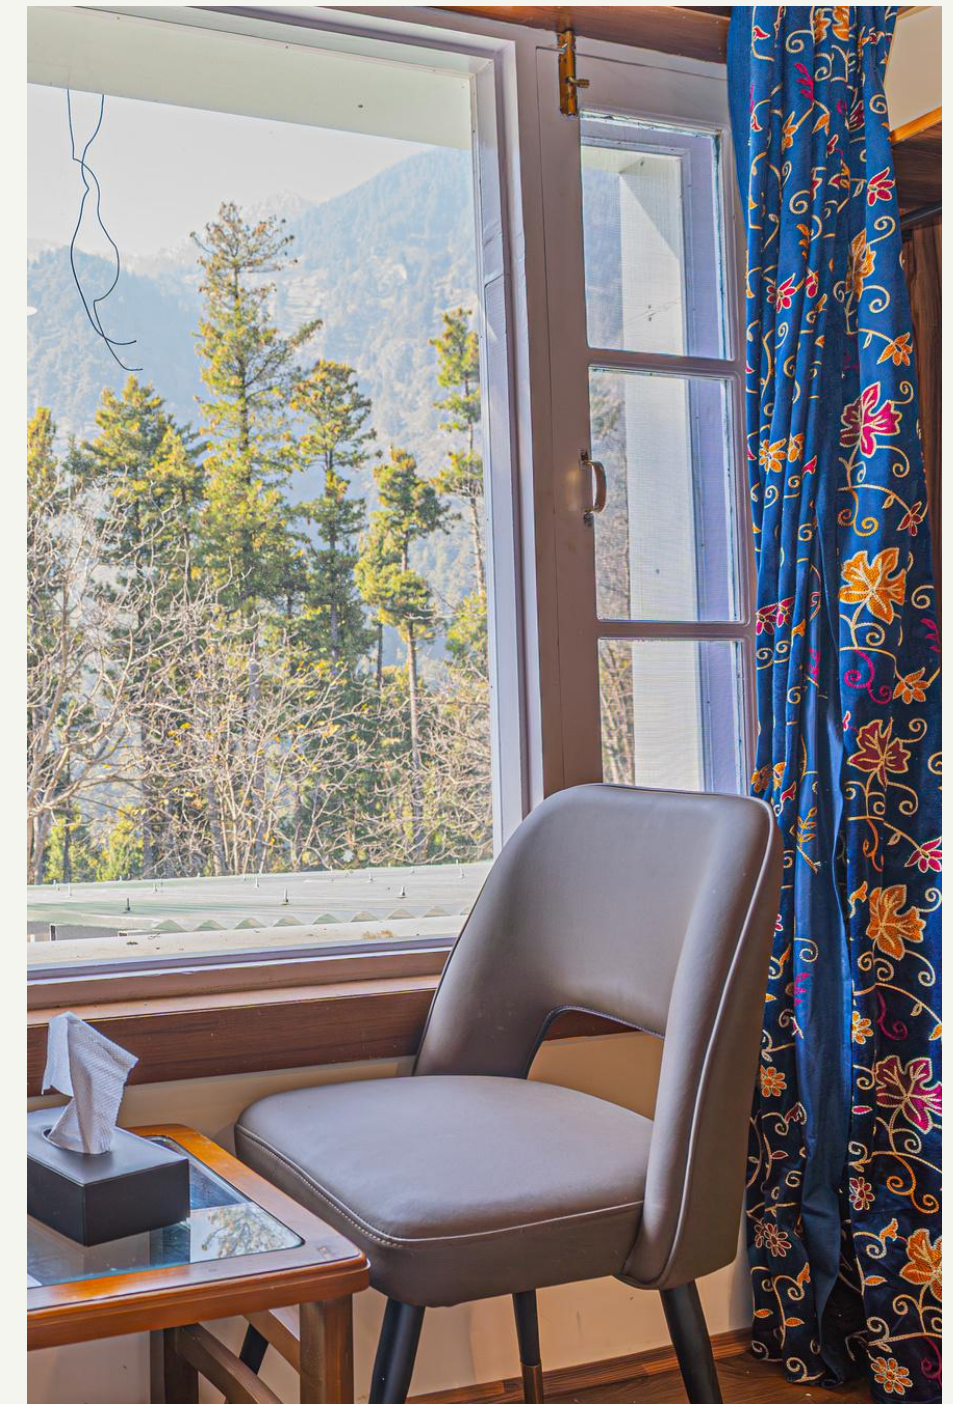

PREMIUM ROOM

This is the “I want a little extra” category. Inspired by their suite-style layout, this room gives you more breathing space, elegant interiors, premium bedding, and a balcony to soak in the mountains. Ideal for couples, honeymooners, or guests staying longer who want a more elevated setup than a standard room—without going full suite.

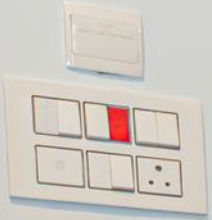

DELUXE ROOM

This is your no-drama, all-comfort room. Thoughtfully designed, warm interiors, comfy bedding, tidy en-suite, Wi-Fi, and everything placed where you expect it. Ideal if you're out exploring most of the day and want to come back to a clean, hotel-standard space that still feels premium—just without the balcony tag. Great for 2 guests.

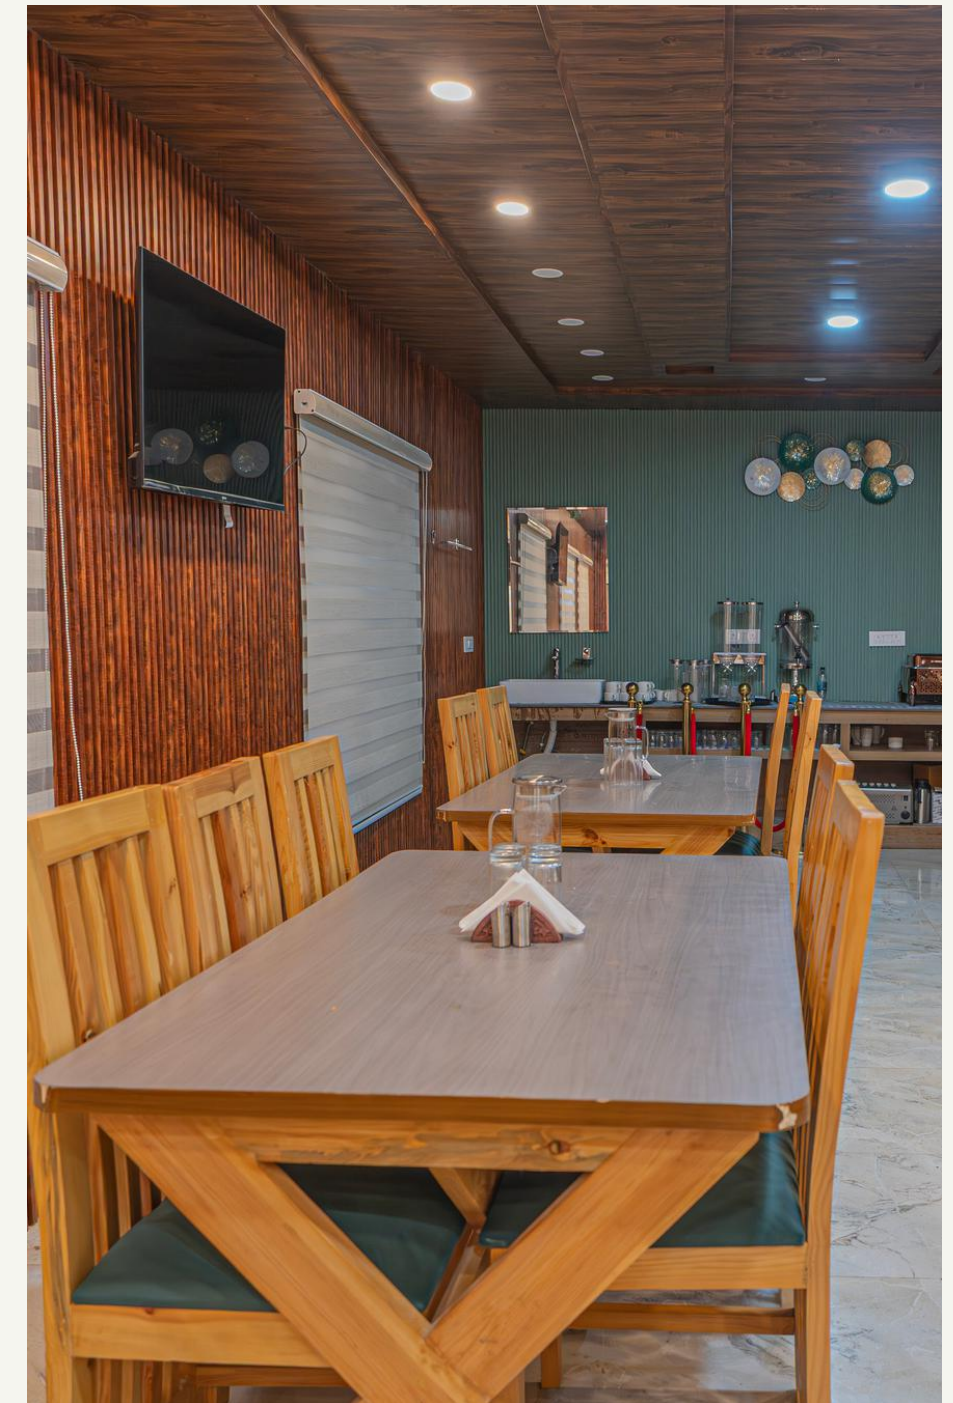

Restaurant

Our in-house restaurant keeps it simple: fresh food, local flavors, and a mountain view that makes every meal feel like a mini vacation. We serve a mix of Indian, Kashmiri, and popular continental dishes, so whether you want a proper wazwan-style taste, a light breakfast, or classic comfort food, you'll find it here.

INTERBOARD

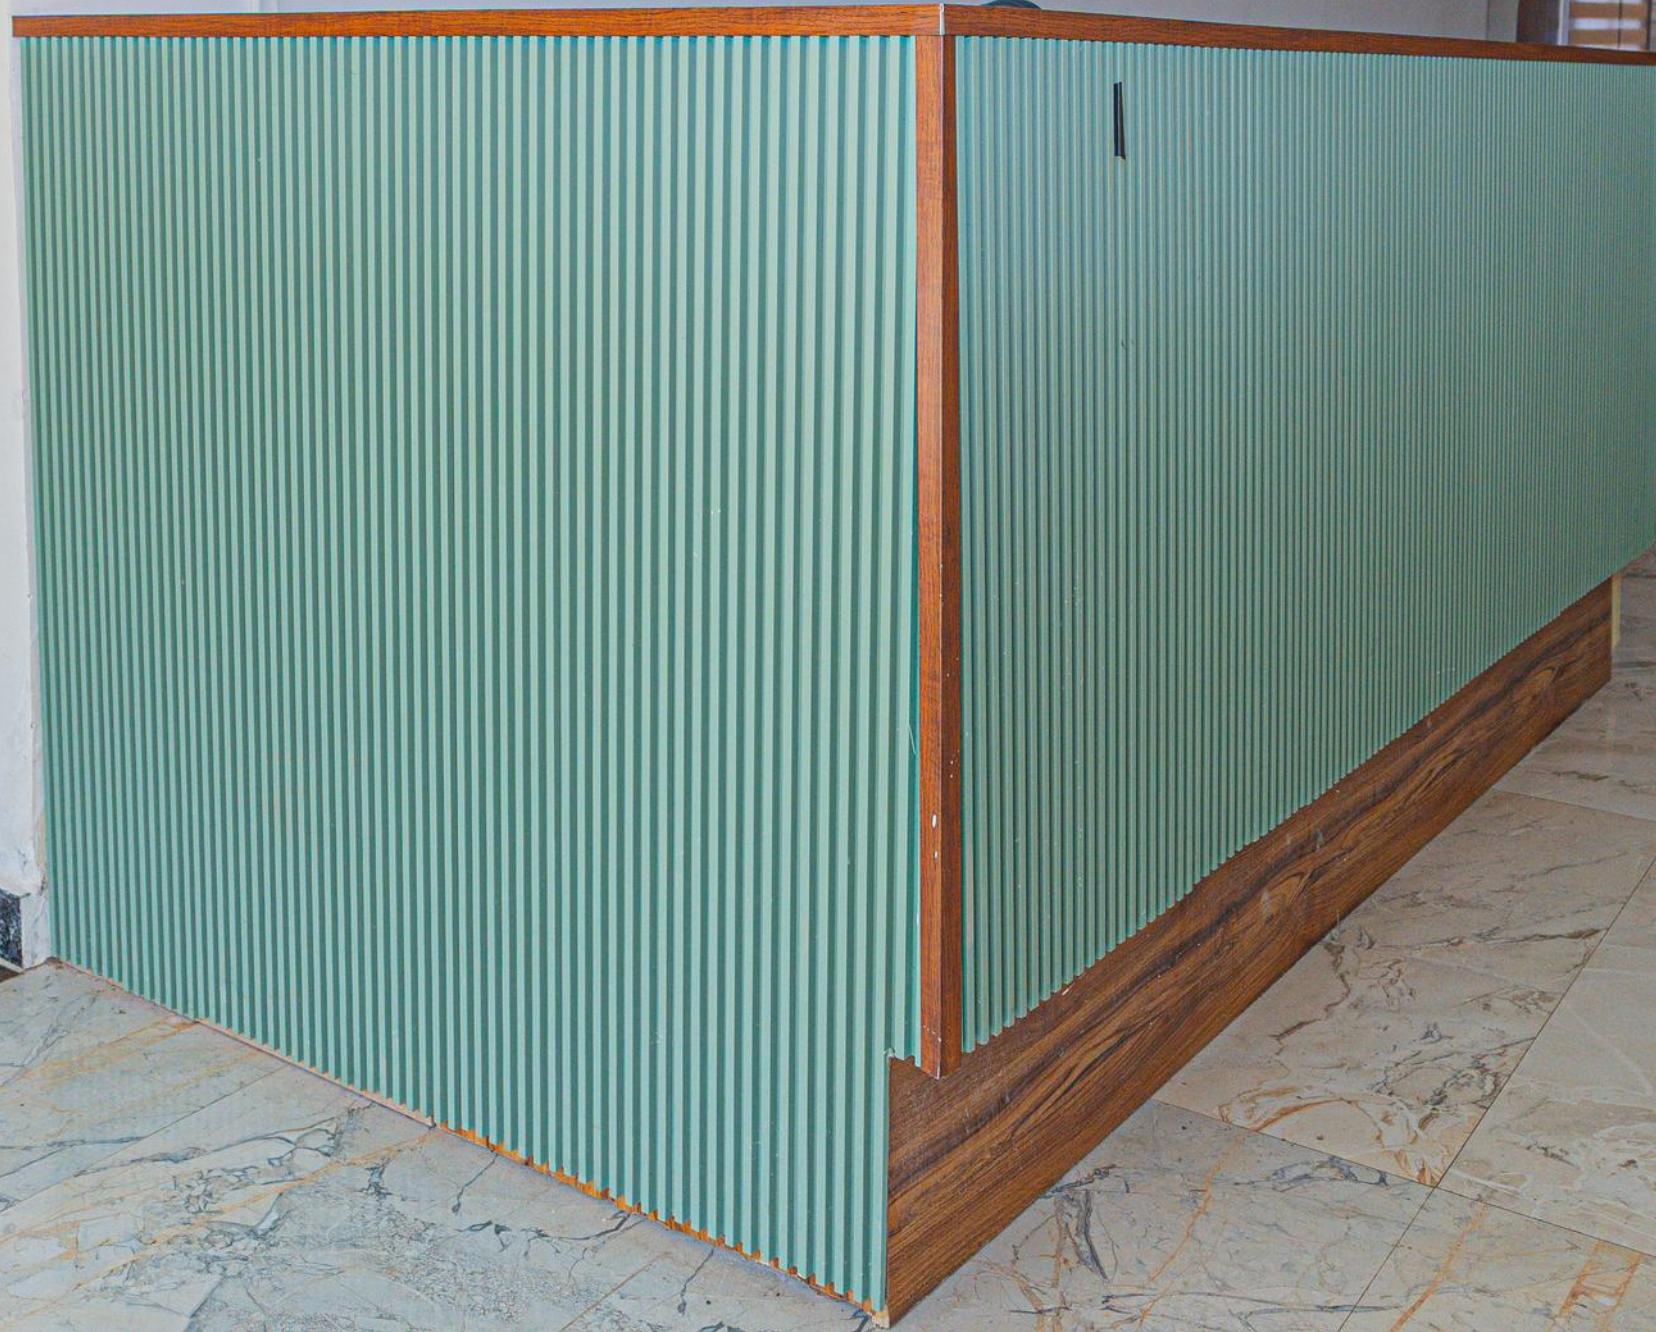

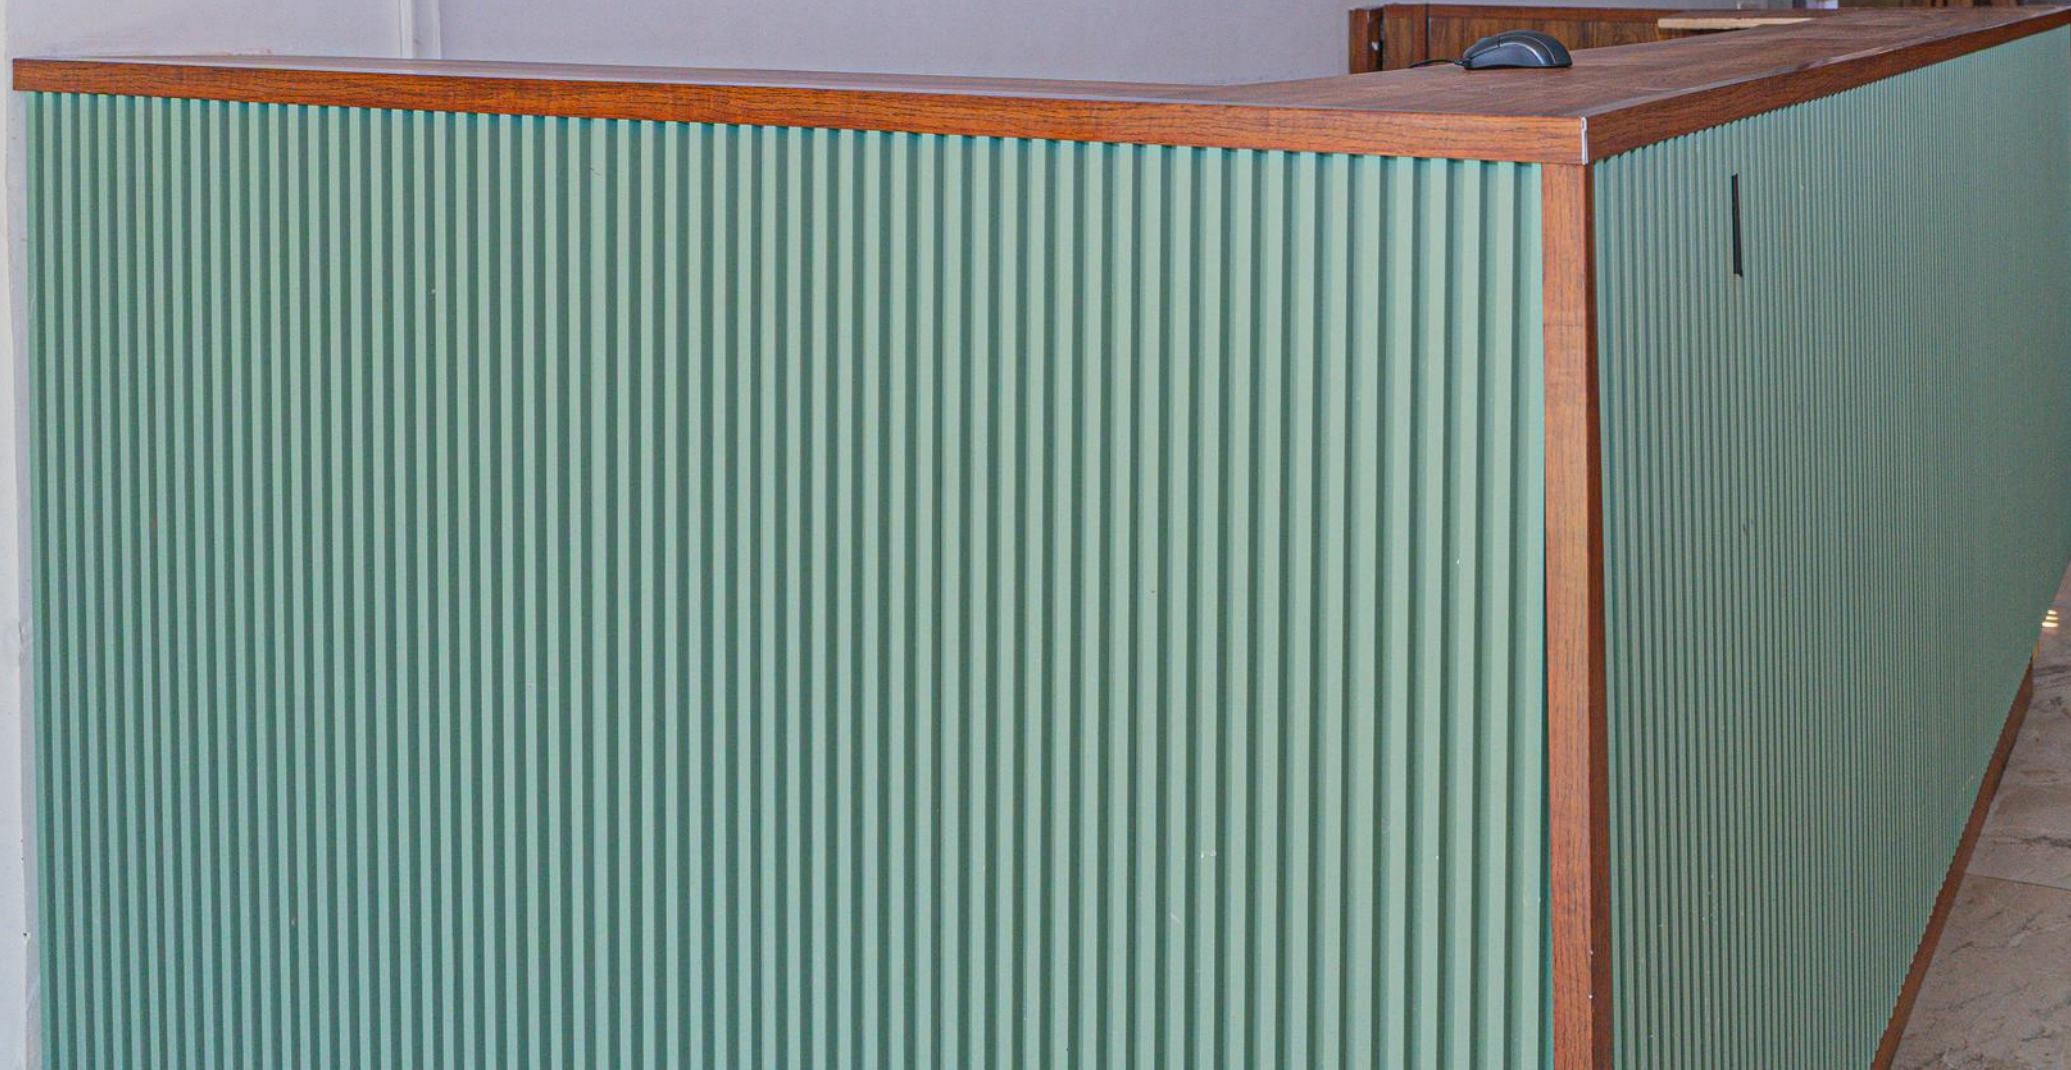

RECEPTION

As soon as you walk in, our reception team is there to greet you, help with check-in, and get you settled without drama. The space is warm, tidy, and designed to give you that “okay, I can relax now” feeling. Need an extra blanket, taxi, sightseeing info, or early breakfast? Just ask.
